Report of Committee on New System of Balloting for Town Officers.

Caucuses

It shall be the duty of the selectmen to call a caucus in each of the five villages of the town, north, south, east, west and center for the nomination of those town officers who by statute must be chosen by written ballot. All the caucuses shall be held on the same evening and at least three weeks prior to the date of the annual town meeting.

Nominations

Each caucus shall nominate a moderator, a town clerk, a town treasurer, one selectman, assessor and overseer of the poor, three auditors, one member of the school committee, two trustees of the Adams library, one highway surveyor, one or more constables and such other officers as the law may require to be elected by ballot. The secretary of each caucus shall notify the town clerk of the nominations made by the caucus.

Ballot

The town clerk shall cause to be printed upon one ballot the names of all nominees of the several caucuses - except the moderator whose name shall be printed on a separate ballot - and also the statute form of the license question.

Additional names.

In addition to the caucus nominees there shall also be printed upon the ballot the names of the candidates for any office or offices, on petition signed by ten or more qualified voters, and presented to the town clerk not less than fifteen days previous to date of town meeting. Spaces shall be left on the ballot for the addition of other names by writing or by stickers.

Marking

The voter shall declare his choice by a mark (x) in the space against the

name of the candidate he wishes to vote for.

Specimen Books. The town clerk shall cause specimen ballots to be printed at the same time and place as the warrant for the town meeting.

Balloting. Balloting shall proceed in the usual manner prescribed by the statutes for towns that have not adopted the Australian system.

Polls Opened. The polls shall be open for the election of town officers (except moderator, and for voting upon the license question) from ten o'clock a.m. until one o'clock p.m.

Your Committee and the Committee of the Selectmen of the Town of Chelmsford hereby certify that the above named monuments are plainly marked and in good condition, with the following exceptions:

The stone post at the starting point on the bank of Concord River is out of position and needs resetting.
